

Specialists Units

Auslan

The children will continue to learn and use signs for the 'emotions'. They will also be working on simple sentences and 'phrase' signs. This is where you make one sign/movement that means a whole phrase.

Lesley Dickins

Music / Performing Arts

The 1/2 unit in term 4 will focus on rehearsing their concert items for the end of the year. The concert will be held at 6pm on Thursday the 7th of December.

Students will focus on learning the lyrics of two songs from the following movies.

1/2 C- Moana

1/2 T - Sing

1/2 J - Sing

Choreography will be created to accompany the songs which will be a student led process and allow for students to share their stage creativity and expand their ideas of performance.

Being exposed to public speaking is a crucial element to a contemporary society. It is crucial for students to participate in the concert as it will assist with this development. It is also a curriculum requirement.

Costume notes have been sent out so get busy either buying, borrowing or making your costume for the concert.

John Koutsonikolas

Visual Arts

Throughout Term 4, the children in Grade 1 / 2 will continue to experiment with a variety of art tools and skills to create their artwork. Construction and Printing skills and techniques will be a focus for this term. The class concert item will also be used as inspiration and will be used to create a display on concert night. Artwork relating to Christmas / cultural celebrations will incorporate learned skills and techniques to finish off the year

Deb Morgan

Physical Education

During term four the grade 1/2 students will be immersed in a skipping program aimed at developing fitness, body strength and coordination. During the first three weeks of term four the students will develop their skipping skills on an individual and group basis. As the students skills progress the activities will become more advanced. Students will have the opportunity to challenge themselves with the following skipping skills: twist, criss cross, two in a rope, one in one out and link jumping. To finish off the year the grade 1/2 students will be introduced to Tennis Hots Shots. The skills that will be developed will be; forehand, backhand and court movement and positioning. I hope that the introduction of Tennis will encourage the children to watch and follow the Australian Open Tennis in January.
