

Specialists Units

Auslan

In term 4, grades 1 & 2 will be extending upon family and how to sign about life at home; for example, my bedroom, the lounge room and kitchen. We will be also learning to sign basic occupations such as doctor, policeman and paramedic.

Occupations

Lesley Dickins

Sustainability:

Grade 1/2 inquiry unit is "Living on Earth" Students think about the environment and sustainability. The survival of all living things and their communities is connected to their ability to share our earth. Students investigate the importance of recycling cans and food scraps.

This term we look forward to the harvesting of vegetables from the school's Vegetable Garden. Students have already taken advantage of the planting and maintaining seedlings of carrots, beetroot, tomatoes, lettuce and cabbage plants. We look forward to harvest day later this term.

Wal Raghdo

Music / Performing Arts

Students in the 1/2 unit this term will use their developing stage presence to create a great piece for the end of year school concert. Student centered development of performance pieces are key to ensuring that a high level of motivation is felt throughout rehearsals and leading into the concert. With 1/2 J creating an original song and 1/2 T performing 'Rise' by Jonas Blue, it's going to be a blast!

John Koutsonikolas

Physical Education

During term four the grade 1/2 students will be immersed in a skipping program aimed at developing fitness, body strength and coordination. During the last three weeks of term four, the students will develop their skipping skills on an individual and group basis. As the students skills progress the activities will become more advanced. Students will have the opportunity to challenge themselves with the following skipping skills: twist, criss cross, two in a rope, one in one out and link jumping. To start off the term the grade 1/2 students will be introduced to Basketball. The skills that will be developed will be; dribbling skills, passing, shooting, team work and court movement and positioning.

Vanessa Shiels

Visual Arts

Throughout Term 4, the children in Grade 1 / 2 will continue to experiment with a variety of art tools and skills to create their artwork. Construction and Printing skills and techniques will be a focus for this term. The children will gather an awareness of how puppets are used in theatre and for play. They will experience constructing their own puppet using a variety of materials to decorate. Artwork relating to Christmas / cultural celebrations will incorporate learned skills and techniques to finish off the year
